Mayor Landrum stated that a Public Hearing is being held to gain input regarding:

The property tax rates proposed to be set by the City of Farmington, a political subdivision. The tax rates shall be set to produce revenues which the budget for the fiscal year beginning October 1, 2016, shows to be required from the property tax. Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100.00 valuation. Tax rates are subject to approval by the State Auditor and may be revised to reflect required changes.

Michelle Daniel, Finance Director, provided an overview of the proposed tax rate.

The hearing was closed at 6:40 p.m.
