To calculate license fee for gross receipts over \$1,000,000.00: Fee is the sum of two hundred thirty dollars (\$230.00) plus \$0.0001 per dollar of gross receipts in excess of one million dollars (\$1,000,000.00).

Receipts	Fee	Receipts	Fee	Receipts	Fee	Receipts	Fee

MUNICIPAL CODE – CITY OF FARMINGTON

SECTION 607.100: FAILURE TO FILE STATEMENT, PAY TAX PROHIBITED -- PENALTY

If any merchant or manufacturer fails, neglects or refuses to provide and deliver the statement required in this Article and to pay the license tax provided for in this Article on or before the twentieth (20th) day of October in each year, he/she shall be deemed guilty of an ordinance violation and, in addition to other penalties, the City of Farmington shall assess the aggregate amount of sales of any such merchant or manufacturer at double their value to be ascertained by the best information he/she can obtain, and he/she shall also report the delinquent to the City Attorney who shall proceed against the delinquent as is provided by law. (Code 1974 §605.150(E); CC 1984 §27-85)

*To calculate the late fee, gross receipts are to be doubled. For example: If your application states that your gross receipts for the 12-month period ending September 30, 2018 are \$200,000.00 you would actually pay the fee that corresponds with gross receipts totaling \$400,000.00.

Certificate of No Tax Due Required

From the Department of Revenue

State law, section 144.083, RSMo, requires businesses to demonstrate they are compliant with state sales and withholding tax laws before they can receive or obtain certain licenses that are required to conduct business in the state. In other words, a business must show that it has “No Tax Due.” Obtaining a statement of No Tax Due is simple and quick, and it’s a free service. A tax-compliant business will be able to print its [Certificate of No Tax Due](#) within minutes. Cities or counties can verify whether a business is tax compliant, before issuing or renewing a business license. State agencies can verify whether a business is tax compliant, before issuing or renewing a business license. Business owners with questions should [contact the Department of Revenue](#).

Note, a business that makes NO retail sales is NOT required by section 144.083, RSMo, to present a Certificate of No Tax Due in order to obtain or renew its license.

The Department is committed to making this new requirement as easy as possible for political subdivisions, state agencies and taxpayers. Our goal is a process requiring as little paper as possible in order to comply with the new law. As a result, we have developed an Online No Tax Due system that will allow political subdivisions, state agencies, and business owners to access our website to quickly determine if a business has "no tax due" without requiring that piece of paper to be issued by the Department.

From the City of Farmington

If you are unable to provide a Certificate of No Tax Due and you have a valid Missouri Tax Identification Number, the City Collector can obtain a statement through the Online No Tax Due website. Here is how it works:

1. The City Collector of the City of Farmington will enter the provided Missouri Tax Identification Number into the Online No Tax Due system.
2. The Online No Tax Due system will access the State’s tax system, determine whether the business is in compliance and provide a message back instantly that states:
 - a. The business is in compliance and the license can be issued, or;
 - b. That the business must contact the Department of Revenue before a statement of no tax due can be issued. **If this message is received, a license will not be issued until the matter is taken care of and you provide us with a valid Certificate of No Tax Due.**

If you have questions regarding a Certificate of No Tax Due, please contact the Missouri Department of Revenue’s Taxation Division at (573)751-9268 or email taxclearance@dor.mo.gov.

Note: A Certificate of No Tax Due is generally only valid for 90 days. To avoid any delay in receiving your license, please be sure that the certificate you submit is a valid one.

If you do not have a Missouri Tax Identification Number, please contact the Business Tax Registration office with the Department of Revenue at 573-751-5860.
